
HALEY SCHAFER

JUNIOR SOFTWARE DEVELOPER

PROFILE

I am experienced in sales and tech industry-focused client management. Transitioning into software development, I am a recent graduate of Code Institute working with front-end and back-end frameworks. Passionate about creating a positive user experience, I enjoy working with and adapting to technologies as they develop.

Time Management; Problem
Solving; Communication; Customer
Service; Self-Awareness; Leadership

EXPERIENCE

July 2017 -
March 2018

Grand Rapids,
Michigan

RELATIONSHIP MANAGER, PRODUCER — LIGHTHOUSE GROUP

I designed a program to efficiently sort employee performance, eliminating the need for manual generation of performance reports, which increased productivity. I also provided insurance and risk management solutions for tech companies, improving the financial well being of our clients, properly protecting their company's capital investments.

February 2017 -
June 2017

Suva, FIJI
(Remote)

VIRTUAL FOREIGN SERVICE INTERN — EMBASSY OF THE UNITED STATES TO FIJI

I created content for web pages from researched material on the availability of local emergency providers in French Polynesia, New Caledonia, and Wallis and Futuna. Translating documents from French to English, the material guided American citizens through the process of utilizing emergency resources abroad, under the supervision of a Consular Officer.

August 2015 -
August 2016

Ann Arbor,
Michigan

LEASING PROFESSIONAL - EDR MANAGEMENT

I worked with the building's residents and a team of 5 leasing agents, mediating any problems that arose between roommates, leading to a more comfortable living atmosphere. I marketed the property to prospective students around campus, creating increased excitement of the property, generating a 25% increase in traffic
